Business Magazine WirtschaftsWoche lists Gütt Olk Feldhaus among Top Law Firms for M&A in Germany

Munich, August 23, 2018 – The current law firm ranking of the German business magazine WirtschaftsWoche lists Gütt Olk Feldhaus among the top M&A law firms in Germany and founding partner Dr. Sebastian Olk as one of the top 25 M&A-attorneys in the German market.

Gütt Olk Feldhaus thereby managed to secure a place among the most recommended legal transaction advisors. Partner Dr. Tilmann Gütt: "We are delighted to have received so many positive feedback from experts. This once again demonstrates our established market position as one of Germany's leading business law firms with our specific expertise in corporate, M&A, Private Equity and Finance."

The WirtschaftsWoche-ranking lists a total number of 59 attorneys and 52 law firms that are particularly recommended for M&A advisory.

The ranking is based on a survey conducted by the Handelsblatt Research Institute, which in a three-step-procedure first identified more than 2,700 legal M&A experts out of 110 law firms. These experts could then name the two most renowned individual lawyers and law firms. 287 M&A-lawyers participated in the survey. This process resulted in a list, which then was conclusively evaluated by a jury of five top-class experts.
